you come and get me when i'm all alone  
 on the corner just skin and bones  
 fever in and fever out  
 you're the swinger who brings me doubt  
 loverboy where you comin' from  
 down there, out back always on the run  
 cool, cool, deep blues  
 you're the shine on my shoes  
 is it in the damp heat inside of me  
 or is it in the fire that we collide  
 i feed you mood swing  
 but you're never satisfied

 Mood swing I  
**Em7add11/D** **G5** **Em** **G5** **A5~**  
 can't let you win  
 you bring me up / you bring me down  
 mood swing i can't give in

to your subtle wiles / and your endless miles

you love me now but you'll hate me soon  
 in the light of the dark moon  
 smiling faces always turn away  
 you're the kind that likes to play  
 your fun and games take me up and down  
 with the skill of a circus clown  
 you see through my truth  
 i give it up 'cause it's up to you  
 you stare me down how you scare me  
 but my eyes are open wide  
 and i will rise to fight you  
 my delight won't be denied

**Chorus**
